Frequently Asked Questions

Do you sell domains?

Yes! The Personal, Premium, and Business plans include a free custom domain. That includes new domains purchased through WordPress.com or your own existing domain that you can map to your WordPress.com site. Does not apply to premium domains. [Find out more about domains.](#)

Can I upload my own theme?

Yes! With the WordPress.com Business plan you can upload any theme you'd like. All plans give you access to our [directory of free and premium themes](#). These are among the highest-quality WordPress themes, hand-picked and reviewed by our team.

Do you offer email accounts?

Yes. If you register a new domain with our Personal, Premium, or Business plans, you can add Google-powered G Suite. You can also set up email forwarding for any custom domain registered through WordPress.com. [Find out more about email.](#)

Will upgrading affect my content?

Can I install plugins?

Yes! With the WordPress.com Business plan you can search for and install external plugins. All plans already come with a custom set of plugins tailored just for them. [Check out all included plugins.](#)

Do I need another web host?

No. All WordPress.com sites include our specially tailored WordPress hosting to ensure your site stays available and secure at all times. You can even use your own domain when you upgrade to the Personal, Premium, or Business plan.

What's included with advanced custom design?

Custom design is a toolset you can use to personalize your blog's look and feel with custom colors & backgrounds, custom fonts, and even a CSS editor that you can use for more precise control of your site's design. [Find out more about custom design.](#)

Can I cancel my subscription?

Plans add extra features to your site, but they do not affect the content of your site or your site's followers.

Yes. We want you to love everything you do at WordPress.com, so we provide a 30-day refund on all of our plans. [Manage purchases](#).
